

IAN HARRISON

SECURITY ANALYST & DEVELOPER

Atlanta, GA | iharrison0626@gmail.com | [linkedin.com/in/ian-harrison-3774ab224](https://www.linkedin.com/in/ian-harrison-3774ab224) | github.com/iharriso0626

Security analyst and developer focused on information security and compliance — the rapid implementation, monitoring, and documentation of full-stack applications and programs. Experienced with HIPAA, ISO-27001, ISO-9001, PCI-DSS, CA Consumer Privacy Act, FDA-21, and GDPR. Continuing to build expertise through certifications in security and AI.

EXPERIENCE

Systems Analyst

June 2025 – Present

Sterling Seacrest Pritchard · Atlanta, GA

- Lead and assist security response for company security events, including phishing investigation and remediation.
- Own the management and security of all information in the company data lake, deployment of Cloud Run services, and integration with third-party applications.
- Head of AI integration — lead bi-weekly best-practice sessions for 100 users and serve in an advisory role for Executive Committee meetings.
- Advise on and implement modifications to the company website, ensuring compliance standards are maintained.
- Developed internal systems for company-wide budget calculation, information collection, and process automation.

Front-End Developer & Cyber Analyst

November 2023 – April 2024

Health Industries LLC (previously Shurburt LLC) · Birmingham, AL

- Authored documentation and testing procedures for security protocols and application security.
- Drafted and revised all company security policies, including those used by company counsel through development and production.
- Responsible for enforcement of policy and compliance standards applicable to the business.
- Front-end development of production code and dynamic AI feature development.
- Built with React / React Native, Java, Python, Node, and Flask, with extensive use of Linux.

EDUCATION

Samford University

May 2025

Birmingham, AL

Bachelor of Science, Computer Science — Cybersecurity Concentration, Minor in Psychology

Universidad de Málaga — Study Abroad

Summer 2022

Málaga, Spain

All coursework taught in Spanish while living with a native host family.
